## PRESIDENT'S MESSAGE

Hello All,

It's that time of year again for your Friends of the Library Annual Meeting! We invite you to join us for lunch on December 11<sup>th</sup> at 11:00 am. As always, your RSVP would be greatly appreciated; contact Radhika as per the invitation on page 1. We will be voting on new Board Members and thanking others who are stepping away from the Board. Pictures and brief biographies of the potential board members follow below so you can get to know those you may be electing.

I'd like to acknowledge and thank Steve James, who has been a consistent asset on our Board. Steve was always one of the first to volunteer to help setup at community events, a desirable quality on any Board! I will miss his dry quick wit and his parliamentary knowledge, which kept me in line!

Earlier this year, Craig Troxclair moved out of town. Along with serving on the Board, he stepped up and worked diligently as the Bookstore Manager. Craig opened new doors for fundraising by creating our eBay store. He also participated in community events and was a constant presence at the library.

Both gentlemen will be sincerely missed.

I encourage you all to attend the lunch, meet the hopeful Board Members and vote for them, receive our 2025 Report, and enjoy lunch! Hope to see you there.

Kathryn Siddle, President

## YOUR BOARD NOMINEES

**Kathryn Siddle**

I started working in the Friends of the Library Bookstore in the Spring of 2017. I knew immediately I had found my "happy place." Not only did I enjoy my weekly shifts, I had the pleasure of making wonderful new friends and finding great authors. I expand my commitment to the Friends by joining the board in 2019. In 2020, I became the President of the Friends. It was a role I had not expected to take on, but with the commitment of the Board to support and work with me, I agreed. The last years have been an incredible experience and something I will always cherish. I am honored and grateful to have been a part of this amazing organization and know the Friends will continue to do fantastic things for the Lodi Library and our community.

**Sharen Topham**

We moved from southern California to Lodi in 2011 to be closer to our grandchildren, two in Lodi and one in San Francisco. In 2012 I started volunteering in the Computer Lab at the library. Then I found the Friends Bookstore, where I happily volunteered until I went back to work in 2015. Retiring for the second time in 2021, it was wonderful to return to volunteering in the bookstore and the Computer Lab. As a lifelong reader who never has enough books on hand waiting to be read, the library is my favorite place to be, especially the Friends Bookstore.

The Lodi Library has so much to offer the community, so it's easy to use any opportunity to tell others about the many programs found here, as well as the amazing finds in the Friends Bookstore.

**Susanne Benbrook**

I was raised in Lodi but spent several years away after graduating from college and eventually starting a family. My earliest memories of my childhood included many, many happy hours spent in the children's room in the Lodi Carnegie Library on Pine Street. When I eventually returned to Lodi, it felt good to be home again!

I finally retired after a 34 year career with the State of California as an Accountant and Career Counselor and was able to return to a love of reading and writing. My favorite pastimes are surely that! I am never without a book to read, and I have over 100 pen pals scattered throughout the world. Mystery books by British and Scandinavian authors are my favorite, but after reading several, I need to read something lighter. That is what I thought I was doing when I began Jody Picoult's novel **Nineteen Minutes**. Wow, was I wrong! It was thought-provoking but very disturbing about school shootings in relation to bullying - unfortunately, very timely in today's world.

My love of Lodi means that I am active in many community organizations and serve on the Board of Directors of all of them. Currently, I am serving as your Membership Secretary and can honestly say that of all my involvements, this has been one of my favorites. Your Board is dedicated, hard-working and so positive!

**Lynne Knight**

I'm a library rat and federal retiree, happy to land in Lodi after living and working in several California cities. I grew up in Santa Cruz, earned a degree in French from Sacramento State, and spent a few itinerant years teaching French in Solana Beach, working in a newspaper composing room in Lodi, and working as a public safety dispatcher in Redding. I finally settled in Sacramento, worked for two major law firms while earning an accredited paralegal certificate, and retired in 2018 after 25 years as a bankruptcy paralegal with the Office of the U.S. Trustee (DOJ) in San Jose.

Here in Lodi, I currently serve on the Friends Board as a Member at Large, and enjoy volunteering in the library bookstore when I'm not visiting family and friends in all those cities. I still have a warm spot for Lodi (no pun intended) and appreciate everyone's welcome.

**Katy Swanson**

Born and raised in Stockton, I followed my parents to the Bay Area after college, living in Vallejo for a few years and in Napa for 30 years. I moved to Lodi after retirement to be closer to the remaining family I have left. One of my best childhood memories is going to the library with my mom. She was a voracious reader and collector of books. Now I am following in her footsteps. Books are my happy place.

**Darien Provence**

Greetings!

I moved to Lodi from the Bay Area in 2011. My employment history is Finance.

I have always been a voracious reader. One of my fondest childhood memories is of my father taking my brother and me to the library one night a week after he came home from work. He would let us check out anything we could carry. Then we went for ice cream on the way home.

When I moved out to Lodi, one of the first things I tracked down was the library. I was thrilled when I came into the library and discovered how involved it is with the community.

Getting involved with the library was a no brainer for me. The rest is history.

**Radhika Rao**

I grew up in a small town in India and went to a catholic high school; hence, I have a blend of both cultures. I am a Navy wife of 20 years and had an opportunity to experience Japanese culture while my husband was stationed at the Navy Hospital in Yokosuka, Japan. We moved to "Lovable Lodi" from Coronado 37 years ago.

For me it all started with Bev Cornelius (former volunteer & President) in early 2000, who had encouraged me to volunteer in the bookstore. It has been a fabulous experience being involved with the Friends Board and the Lodi Library Foundation Board. Volunteers at the bookstore continue to inspire and amaze me with their dedication. I am always awed by the tremendous generosity of the people in the Lodi & Stockton area.

Reading books is on the top of my hobbies list, along with music, gardening, and travel. I have visited 76 countries and have never boarded the plane without a couple of books.

My favorite quote is from Sir Winston Churchill: "We make a living by what we get, but we make a life by what we give."

**Melissa Showalter**

After retiring from nursing, I owned a game store in Davis for 8 years with my youngest daughter. I now live on an acreage in the Lockeford area with my husband, 4 horses, 2 donkeys, goats, and other assorted animals.

I run the Friends EBay store, Bookstore1979. I coordinated our recent \$2 bag sale, and I've started to gather books for the next sale.

**Barb Transon**

A lifelong lover of books, especially fond of children's literature, I currently organize the children's section of the Friend's store. I'm a retired elementary school /GATE teacher who read to my class, led discussions of novels, and instilled a love of literature in at least one of my own two children! My husband, Minh, and I have lived in Lodi for 39 years. Before that I lived in Davis and Southern California, and Minh lived in Vietnam. I am also a volunteer gardener at the UC Davis Arboretum.

**Jenna Kanegawa**

Jenna works for the Library as a Senior Library Assistant. When she isn't helping update the Friends website and plan our membership drive, she's busy answering questions and finding books for library patrons. A Lodi native, Jenna is the "youngster" on our Board.

**Elisa Moberly**

I joined the Friends after retiring as a Management Analyst with the San Joaquin County Public Works Department. I volunteered to work in the bookstore, which I called "shopping," and soon after joined the Board. A year later I took over as both Treasurer and editor of the newsletter. I enjoy working on our marketing plan, including the website updates and our membership drive.

I practically grew up in the school library, where my mom often volunteered. I read whenever I'm not volunteering at church or in the community.

Our new bookstore sleighs have arrived! This early holiday present for our bookstore volunteers makes it easier to receive and transport donations. Thank you to Library staff for facilitating the purchase.

The City of Lodi proclaimed October 19-25, 2025, as FRIENDS OF THE LIBRARY WEEK. This annual national event celebrates Friends organizations like ours for their contributions to the success of their local libraries. Thank you to our Library Director, Jenni Fontanilla, for her appreciation of the Friends and for garnering the City's attention.

## Volunteer Opportunity - Lodi Fire Foundation Christmas Festival

At the Festival we give away books to children and provide information about the library's programs. Would you like to help? Please let us know at [friendsoflodi@gmail.com](mailto:friendsoflodi@gmail.com) if you'd like to join us for a two hour shift between 10:00am to 2:00pm. Our TAB (Teen Advisory Board) will provide a craft project.

**MY BOOK (SALE) REPORT**

SATURDAY, SEPTEMBER 20, 2025

487 shoppers spent \$615 on books. We paid \$79.84 for Facebook ads, which brought in the majority of our customers. Most buyers were given applications to join the Friends, and five have already returned them!

Many people told us they didn't know about the bookstore. They know now! Saturday's sales in the bookstore topped \$213 with more than 50 customers.

Our success can be measured by more than financial gain. The sale cleared out our surplus of old books. It brought needed attention to the bookstore and lobby materials for year-round purchase. We also invited people to join the Friends.

Thank you to our chair, Melissa Showalter, and our many volunteers who helped set up, sell, and cleanup the roomful of books. Great job, everyone!

Melissa has already started collecting books for the next sale!
